

Join us at the Maywood
Advisory Working Group Meeting #4.

Thursday, June 23, 2016

6:00 PM - 8:00 PM

**Maywood Multipurpose Building
200 S. 5th Ave., Maywood, IL 60153**

YOU'RE INVITED!

The Village of Maywood, in partnership with the Illinois Department of Transportation, will host a fourth AWG meeting to continue discussions regarding proposed Eisenhower Expressway improvements.

At AWG meeting #4, which was held on April 21, 2016, IDOT narrowed the list of alternatives to Alternatives 1 and 6. Both options retain all existing I-290 ramps, but differ in their design at the First Avenue interchange. Alternative 1 includes the current frontage road connections at First Avenue (Harrison Street, Bataan Drive), while Alternative 6 does not include these frontage road connections. At the upcoming June 23rd AWG meeting, IDOT will recommend a preferred alternative, and seek stakeholder comments through July 14, 2016.

MEETING TOPICS:

- *Comparison of Alternatives 1 and 6*
- *Preliminary Preferred Alternative Recommendation*
- *Next steps*

The AWG meetings are open to the public and there will be an opportunity for audience members to ask questions following the presentation and Working Group agenda items.

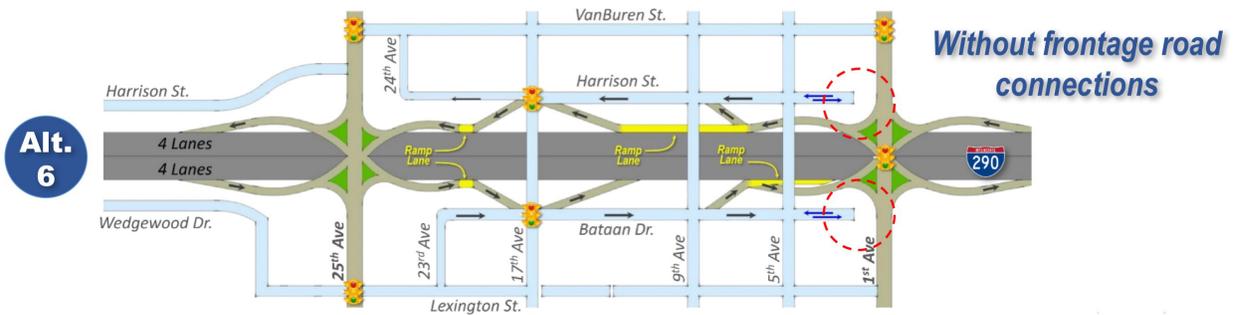

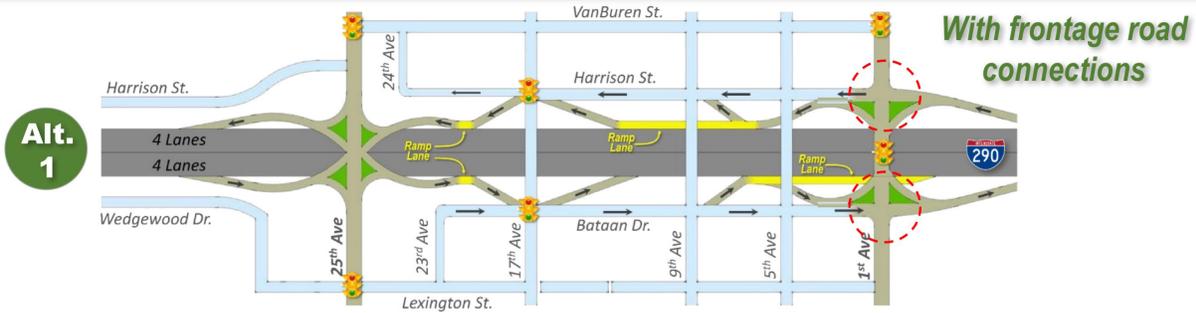

For more information about the AWG, please contact the Maywood Village Manager's office at 708-450-6303.

As always, you can check THE VILLAGE OF MAYWOOD or the I-290 WEBSITES for updates:
